RSVP: By January 5th, 2018
To Danielle at dmmorrissey@buckscounty.org or
Susan at gardenpixie2002@yahoo.com

Fun is “stirring up” over at the Silver Lake Nature Center and YOU could be a big part of the fun as we begin planning the White House Chef Tour fundraising event.

This unique and interactive event needs your help. We are looking for a strong and vibrant volunteer committee of food and nature lovers to help plan this live cooking show to benefit the educational programs at Silver Lake Nature Center.

With a wide variety of working sub-committees, I am positive that there will be something right up your alley. Just imagine what we could do, if only we had your special skills! By volunteering just an hour or two a week you can help make this a successful “foodie” event.

Come join in all the fun and the rewarding experience of helping plan the *White House Chef Tour* at Silver Lake Nature Center!
