

Homeschool Enrichment Series at Silver Lake Nature Center Winter 2019

SLNC's Homeschool Enrichment Series is an option for families who take a different approach to educating their children (ages 6-18). Our 8-week program provides an opportunity for children to get hands-on experience within the STEM disciplines, without the formal constraints. Each of the lessons are developed with the PA Standard Aligned System (SAS) in mind and ensure that children will excel in all settings.

Tuesdays from January 8th-February 26th, 1:30pm- 3:30pm

Winter 2019 Schedule and Topics:

Week 1 (1/8/19): Fire and Water
