Program Details:

Drop off and pick up is at the Center's auditorium and/or our outdoor Kids Play Area picnic pavilion where there will be a clipboard for parents/caregivers to sign their child in and out. There will be a rolling drop off time starting at 3:30pm but final drop off will be no later than 4:00pm.

We will be offering a healthy snack option each session, but please send your child with a snack as well if you want to make sure they have something they like.

Each session we will be exploring the nature preserve, learning about the habitats and creatures, playing games, learning survival skills, journaling, and having fun all while making new friends and memories.

Please send your child with a refillable water bottle, snack, and clothes that you don't mind getting wet and/or dirty and plenty of layers to help them adjust to the range of weather and temperatures since we will be outside a good portion of every session.
