

## 2019 Kayaking Series at Silver Lake Nature Center

Silver Lake Nature Center is pleased to announce that Melanie Pawlowski, SLNC Summer Camp Counselor AND Kayaker Extraordinaire, will be returning to lead our 2019 Kayaking Series!

Join Melanie on one, a few, or all of our wonderful Kayaking Programs being offered this spring, summer, and fall! Programs include: Intro to Kayaking and Full Moon Kayaking Programs right here on beautiful Silver Lake AND Magnolia Lake!

Check out the 2019 Schedule below, and visit [SilverLakeNatureCenter.org](http://SilverLakeNatureCenter.org) or call 215-785-1177 for descriptions/details and registration. Since space is very limited for these programs (they typically sell out), pre-registration (at least) 2 days prior to the program is required in order to participate.

## 2019 Kayaking Series Program Descriptions

**Introduction to Kayaking** ~ Have you ever wanted to learn how to maneuver a kayak? Well here is your chance. This two hour class, led by Kayaking Instructor, Melanie Pawlowski, introduces you to the parts of a kayak, how to hold and move a kayak paddle, how to enter and exit a kayak, ways to keep your balance while kayaking and, of course, how to get around on the water in a kayak. The Introduction to Kayaking class takes place right on the waters of Silver Lake.

**Full Moon Kayak Excursion** ~ Our Full Moon Kayak Excursion is for kayakers who have kayaked at least once before. We will start at the edge of Silver Lake at Silver Lake Park, in Bristol, PA. Once in the water, we will travel up Silver Lake into Magnolia Lake, where we will dock on the island in the middle of Magnolia Lake. On the island, we will start a camp fire and roast marshmallows. After all the marshmallows are gone, we will embark on our journey back, letting the moonlight guide our way. Each kayaker will be able to take in the lovely sights of Silver Lake bathed in moonlight.
